

## Where do your offerings to Prince of Peace go?

Prince of Peace (POP) is a very generous church. We take seriously our value of *Investing With Courage: We invest all of God's resources (spiritual, physical, financial) boldly and responsibly.*

**When you give to Prince of Peace's GENERAL FUND** or put money into the offering plate, you fuel our ongoing mission. POP's mission encompasses worship, discipleship (birth-adult), care ministry, church operations, and mission outreach.

### **A tithe of your regular offerings**

is shared beyond our walls to a combination of the Lutheran Church-Missouri Synod, our denominational church body, as well as other mission partners locally and globally. [Read more about MISSION PARTNERS here.](#)

This tithe also includes the giving of smaller MISSION GRANTS to organizations of your choice, and you can read more at the bottom of the MISSION PARTNER page.

**GENERAL FUND is the primary place to give,** when considering a gift to Prince of Peace. In addition to your regular gifts and tithes to the GENERAL FUND, we offer various ways to be over-

and-above generous for the benefit of others in our community.

**Occasionally, we provide special appeals for the HOME MISSIONS FUND,** a fund set aside specifically

for assistance to POP members and community members who are in crisis and need financial help with obligations such as rent, utilities, medical bills, food, and transportation. While we have seen an uptick in community requests, POP funding and your gifts have provided income sufficient to support these requests.

**Of course, need knows no season!** POP highlights partner organizations seeking much needed donations throughout the year. Donated items such as school supplies, clothing, Thanksgiving baskets, Christmas gifts and gift cards go to our partners for the direct benefit of *the least of these* in our community.

**Thank you, again, for your generosity!** May you experience Jesus' words firsthand that "It is more blessed to give than to receive." **God's blessings as you continue to challenge yourself to be more generous out of the abundance that God has provided you!**
